LLANHARAN COMMUNITY COUNCIL

Grant Aid Application Guidance Notes

Please read the guidance notes before completing the form:

Llanharan Community Council awards grants, at its discretion, to community organisations which can demonstrate a clear need for financial support to benefit residents of the Llanharan Community Council Wards by;

- providing a service
- enhancing a quality of life
- improving the environment
- promoting Llanharan Community Council area in a positive way.

We suggest any applicants speak with the Clerk to the Council prior to requesting a grant; you may also seek assistance/guidance from your local Councillor.

Eligibility

Grants will not be made;

- to organisations situated outside the area administered by Llanharan Community Council, unless a clear benefit to the inhabitants of the Community can be established. In such cases, supporting information demonstrating the level of benefit must be provided
- to organisations that are socially exclusive, e.g., where there are unreasonable restrictions on membership inconsistent with equal opportunities
- to organisations established for party political purposes or promoting religious purposes
- where the aims and objectives of the organisation are inconsistent with the values of the Community Council.
- no grant will be awarded to or for any commercial venture for private gain

- the grant cannot fund the purchase of alcohol, wages, loans or interest payments or VAT that you can recover
- no retrospective applications will be considered.

Grants will be considered under the following criteria:

The organisation must be non-profit making or charitable (i.e. an independent group that does not make profit to pay Directors, Members of Shareholders; normally run by volunteers). Grants will not be made to individuals and would not normally exceed 50% of the cost of the project or activity.

Grants will not be made retrospectively and only one application for a grant will be considered from each organisation in any one financial year.

All grants must be used within one year from the award being made.

All grants are awarded on a one-off basis – if required for subsequent years a new application must be submitted each year.

A grant may only be used for the purpose set out in the application and it cannot be given or transferred to any other group.

Any monies not used, in part or full, for the agreed purpose must be immediately returned to the Community Council.

At the Council's discretion, for large grants, (over £500) groups may be subject to a visit by the Clerk and/or Councillors to see how the grant has been administered or copies of documentation requested.

The Council will require details of how the money has been spent within 1 year of the award being made (Appendix Two).

Recognition of the grant from the Llanharan Community council must be made in any publicity and in the Group's accounts.

The Council may use the name of your Group and its project in our own publicity material where appropriate.

All grants are at the discretion of the council:

All applications will be considered on their merits and subject to providing the supporting documentation as requested on the application form. Incomplete applications will be returned and may not be re-considered. Especially if the budget is depleted.

Groups may be asked to make a brief presentation to Council Members.

If required, it is the applicant's responsibility to ensure that public liability insurance is in place.

The Council will take into consideration any previous grants made to an organisation when considering a new application.

Please provide a brief description of the main aims and activities of the organisation applying for a Grant.

As the Parents Teachers Association (PTA) of Dolau Primary school, our most significant aim is to create a better place for the Children of Llanharan to learn. We do this by fostering a culture of community between parents, teachers and the children to raise funds to cover costs that the standard school funding would not be able to. The PTA will allocate funds in alliance with the schools current needs. It is worth noting that Dolau Primary school is the teaching environment for over 500 children. A significant number of Llanharan's school aged children will be attending this school.

Other aims that we focus on are raising school standards by giving parents a vital opportunity to be actively involved in their children's learning and school environment. We as an establishment also work hard to establish a positive line of communication between parents and the teachers/school systems. We also give children the opportunity to experience more, learn more, see more and to have a more varied learning experience. This all comes from the money we raise from our group of parent volunteers.

As a brand new PTA team, we have so far planned and carried out a Halloween disco for all years of the school (nursery through to year 6). The children absolutely loved this event. It gave them a great opportunity to socialise and create fun memories and associations within the school. It allowed them to practice life skills, such as how to carry out a purchase and manage their money etc, in a safe and familiar environment. It allowed them to be creatively expressive with their costumes and to most importantly - be children.

We have also completed Christmas concert refreshments for parents. Giving them a chance to mingle and create relationships whilst also raising money for their children's school. We also have organised and delivered "Christmas Movie nights" for the children which was fantastic. The kids were able to again socialise with their peers in a safe and nurturing environment and enjoy some Christmas activities.

In the coming year we have events booked for the more notable days (Valentines day, St Davids day etc.) but we are hoping to establish more systems that would support the children within their day to day lives and to ensure their school experience and environment is such that will see them flourish and enhance their quality of life. This is done and achieved by funding. Funding which the school itself just would not be able to cover.

How many people are involved in the organisation and approximately what percentage of them live in the Llanharan Community Council area?

We consist on the following:

Chair
Treasurer
Secretary X2

We also have a volunteer group of 20 parents who commit as much time as they can.

100% of us live within Llanharan.

Are you a not for profit organisation?

Yes No

How long has the organisation been established?

As a brand new PTA team we are not sure exactly when the PTA group was formed, but a PTA has been established as Dolau Primary school since at least 2013.

SECTION B: WHY ARE YOU APPLYING FOR GRANT AID?

Please provide a brief description of specifically what you intend to use the Grant Aid for?

We intend to use the Grant to aid us in the running of our planned activities for the rest of the academic year. These include:

Movie nights - These events include organising film evenings and snack bags for children from year 3 and above. We would use the grant to fund the snack bags/drinks/refreshments that we give out to the children. These refreshments are tailored for children with any food allergies/intolerances. Every child is included.

Treasure hunt trail - this is a treasure hunt style event for the younger children who cannot attend film evenings. As mentioned above, we don't leave any children out and work very hard to provide events for every child. We would use the grant aid here to purchase the participation gift for the children from nursery years up to year 2.

Summer Fete - We would use the grant aid to assist with putting on the summer fete. This would go towards the setting up of stalls, purchasing of goods, securing entertainment for the event, food, decorations and much more. We are hoping this will be a fantastic event, not just for the children but for many many families within our community.

Leavers event - The year 6s who will be leaving Dolau and moving onto Comprehensive school will have a festival themed event for a leavers celebration. We would use the grant aid to support the costs of this day. It would go towards festival themed stalls, food, potentially live music, water fights and much more to commemorate such a big moment for our local year 6s.

Ice-cream van visit - our final event of the year will see the PTA fund an ice-cream for each child in the school during the last week of term. Again, any allergies or intolerances will be accounted for and all children will be able to have a treat before the end of school for summer.

How will the Grand Aid benefit the Community?

The Grant Aid will greatly benefit the children of the community. We thrive on creating memory making moments for the children and their school experience. We are confident that these events would create happy and long lasting memories for the children and see that children who may not receive such celebrations at home, would receive them through their school. We also take inclusivity seriously so would ensure that all children with allergies/dietary concerns would be catered for.

Please provide the dates you intend to start and finish the project.

Hello Leigh,

I've spoken with our Treasurer and unfortunately we were not provided with any historic documentation when we were established as the PTA. We are trying to obtain a yearly statement for evidence if this is needed retrospectively. Our expenditure only starts in October as this is when we first start purchasing items ready for the halloween disco. Our expenditure also "stops" in February as we have not made any purchases since this point, the February purchases were made for our Valentines day disco.

Thank you so much for your help,

Khadra

Subject: Re: Grant Application - Dolau School PTA

Good Afternoon Leigh,

Thank you for your call and for your email.

I have attached our expenditure form for your review.

To clarify, my role is the secretary.

Of course. We are seeking this grant as a portion of our balance is secured for other outgoings the PTA will need to cover. These include gardening and outdoor repairs within the school, momentums for this year's leavers and other ad hoc outgoings which sporadically arise. We also will need to outlay a portion of this money in order to set up our intended events. With this in mind, the grant requested would provide a lifeline to continue with our events mentioned within the application and ensure the local children and families are provided with enriching experiences but also that we are able to continue to effectively raise funds that our school and community so desperately needs.

I hope this helps,

Khadra

LLANHARAN COMMUNITY COUNCIL

Treasury & Investment Policy

1. Policy Background

- 1.1 Llanharan Community Council's treasury and investment policy and its associated strategy are conducted in accordance with:
- i) The Local Government Act 2003 (the Act) and supporting regulations. This requires the Council to prepare an Annual Investment Strategy which sets out the Council's policies for managing its investments and for giving priority to the security and liquidity of those investments.
 - ii) The statutory guidance on local government investments (issued subsequent to the Act) which requires the production of an Annual Investment Strategy and gives guidance on how this should be completed.
- 1.2 It is uncommon for a community council to hold investments other than in the form of easily accessible bank deposits or other short-term savings accounts. These are often used to maximise income from cash balances during the financial year.
- 1.3 The legislation and associated guidance are optional for community councils where investments are not expected to exceed £100,000 and no action is required below £10,000. However, for Councils where the sums involved exceed £100,000, the guidance is mandatory.

2. Definitions

- 2.1 Investments – all investments of more than 12 months in duration. This is treated as capital and all sums involved must be used for capital expenditure when the investment period ends.
- 2.2 Treasury – all cash deposits held in bank accounts which includes bonds of up to 12 months in duration.

3. Policy Objectives

- 3.1 The overriding policy objectives are:
- i) To invest prudently to ensure the security of the principal sums.
 - ii) To maintain liquidity in the portfolio to meet the council's spending plans.
 - iii) To mitigate risk.
 - iv) To seek the optimum returns available whilst remaining consistent with the proper levels of security and liquidity.

4. Investment Policy

- 4.1 The Council will not hold funds other than in bank accounts or deposit bonds of 12 months or less in duration.

5. Treasury Policy

- 5.1 The Council will hold **all** funds as instant access either as cash deposits in banks accounts or with CCLA Public Sector Deposit Fund rated as AAmmf (Money Market Fund). AAmmf signifies the highest credit quality rating assigned by credit rating agency Fitch.
- 5.2 A business account will be maintained with sufficient funds for day to day transactions and to receive the precept and business income.
- 5.3 Currently all of the Councils cash deposits, both current account and reserves reside with Barclays Bank & the CCLA Public Sector Deposit Fund.
- 5.4 Full Council approval is required if a deposit is with an institution with which the council does not already hold an account. The RFO has delegated authority to deposit funds in the CCLA Public Sector Deposit Fund with approval from PSDF mandate holders and report this back to the council.
- 5.5 Risk Warning - it must be noted that the purchase of PSDF shares is not the same as making a deposit with a bank or other deposit taking body and is not a guaranteed capital return.

A procedure for making a deposit can be found in Appendix A

Fitch Affirms 2 CCLA Money Market Funds at 'AAAmmf'

Fitch Ratings - London - 06 Feb 2023: Fitch Ratings has affirmed two money market funds (MMF) managed by CCLA Investment Management Limited (CCLA) at 'AAAmmf':

CCLA - COIF Charities Deposit Fund (COIF)

CCLA Public Sector Investment Fund - The Public Sector Deposit Fund (PSDF)

KEY RATING DRIVERS

The affirmation of the MMF Ratings is driven by the funds' high credit quality and diversification, high levels of daily and weekly liquid assets and low exposure to interest-rate and spread risks. The ratings also reflect the capabilities and resources of CCLA as investment manager.

CREDIT RISK

The funds' Portfolio Credit Factor (PCF), which is a risk-weighted measure that considers the credit quality and maturity profile of the portfolio securities, met Fitch's 'AAAmmf' rating criterion of 1.5 or less throughout the review period.

LIQUIDITY RISK

The funds had at least 10% of total assets in securities offering daily liquidity and at least 30% of total assets in securities providing weekly liquidity, consistent with the 'AAAmmf' rating range, throughout the review period.

MARKET RISK

The funds' weighted average maturity and weighted average life were below 60 days and 120 days (the 'AAAmmf' rating range), respectively, throughout the review period.

FUND PROFILE

Fitch views the legal and regulatory frameworks of the funds satisfactory.

COIF is a common deposit fund, governed by the Charities Act 2011 (as amended) and authorised by the Charity Commission. It is managed as an alternative investment fund and falls under the alternative investment fund managers directive (AIFMD) legislation as defined in the scheme particulars. The fund is authorised and supervised in the UK by the Financial Conduct Authority as a

short-term low volatility net asset value MMF as defined in EU Money Market Fund Regulation 2017/1131.

PSDF is a sub-fund of the umbrella fund, CCLA Public Sector Investment Fund, which is an open-ended investment company that falls under the UCITS directive. The fund is authorised and supervised in the UK by the Financial Conduct Authority as a low volatility net asset value MMF as defined in Regulation (EU) Money Market Fund 2017/1131.

The CCLA COIF Charities Deposit Fund investment objective is to provide a high level of capital security and a competitive yield.

The CCLA Public Sector Investment Fund - The Public Sector Deposit Fund (PSDF) investment objective is to maximise current income consistent with the preservation of principal and liquidity by investing in a diversified portfolio of high quality sterling-denominated deposits and instruments. The primary objective is to maintain the net asset value of the fund at par (net of earnings).

INVESTMENT MANAGER

CCLA is a UK-based fund management group offering a range of fund products. CCLA is jointly owned by CCLA Executive Directors, The CBF Church of England Investment Fund, The COIF Charities Investment Fund and The Local Authorities' Mutual Investment Trust. An independent operational risk, internal audit and compliance team maintains oversight of the fund's operations. At as end-March 2022, CCLA managed approximately GBP13.9 billion of assets. Fitch deems CCLA suitably qualified, competent and capable of managing the rated funds.

RATING SENSITIVITIES

Factors that could, individually or collectively, lead to positive rating action/upgrade:

The ratings are at the highest level on Fitch's scale and therefore cannot be upgraded.

Factors that could, individually or collectively, lead to negative rating action/downgrade:

Fitch's stress testing shows that the ratings are robust at their current levels. However, material negative credit developments (downgrades) in underlying portfolio holdings and /or material unexpected and short-term redemptions could negatively affect the funds' rating profiles, potentially leading to downgrades.

In addition, the following <https://www.fitchratings.com/rating-definitions-document> details Fitch's rating definitions for each rating scale and rating categories, including definitions relating to default. ESMA and the FCA are required to publish historical default rates in a central repository in accordance with Articles 11(2) of Regulation (EC) No 1060/2009 of the European Parliament and of the Council of 16 September 2009 and The Credit Rating Agencies (Amendment etc.) (EU Exit) Regulations 2019 respectively.

Published ratings, criteria, and methodologies are available from this site at all times. Fitch's code of conduct, confidentiality, conflicts of interest, affiliate firewall, compliance, and other relevant policies and procedures are also available from the Code of Conduct section of this site. Directors and shareholders' relevant interests are available at <https://www.fitchratings.com/site/regulatory>. Fitch may have provided another permissible or ancillary service to the rated entity or its related third parties. Details of permissible or ancillary service(s) for which the lead analyst is based in an ESMA- or FCA-registered Fitch Ratings company (or branch of such a company) can be found on the entity summary page for this issuer on the Fitch Ratings website.

In issuing and maintaining its ratings and in making other reports (including forecast information), Fitch relies on factual information it receives from issuers and underwriters and from other sources Fitch believes to be credible. Fitch conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction. The manner of Fitch's factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of

the issuer, and a variety of other factors. Users of Fitch's ratings and reports should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information Fitch relies on in connection with a rating or a report will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to Fitch and to the market in offering documents and other reports. In issuing its ratings and its reports, Fitch must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings and forecasts of financial and other information are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings and forecasts can be affected by future events or conditions that were not anticipated at the time a rating or forecast was issued or affirmed.

The information in this report is provided "as is" without any representation or warranty of any kind, and Fitch does not represent or warrant that the report or any of its contents will meet any of the requirements of a recipient of the report. A Fitch rating is an opinion as to the creditworthiness of a security. This opinion and reports made by Fitch are based on established criteria and methodologies that Fitch is continuously evaluating and updating. Therefore, ratings and reports are the collective work product of Fitch and no individual, or group of individuals, is solely responsible for a rating or a report. The rating does not address the risk of loss due to risks other than credit risk, unless such risk is specifically mentioned. Fitch is not engaged in the offer or sale of any security. All Fitch reports have shared authorship. Individuals identified in a Fitch report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only. A report providing a Fitch rating is neither a prospectus nor a substitute for the information assembled, verified and presented to investors by the issuer and its agents in connection with the sale of the securities. Ratings may be changed or withdrawn at any time for any reason in the sole discretion of Fitch. Fitch does not provide investment advice of any sort. Ratings are not a recommendation to buy, sell, or hold any security. Ratings do not comment on the adequacy of market price, the suitability of any security for a particular investor, or the tax-exempt nature or taxability of payments made in respect to any security. Fitch receives fees from issuers, insurers, guarantors, other obligors, and underwriters for rating securities. Such fees generally vary from US\$1,000 to US\$750,000 (or the applicable currency equivalent) per issue. In certain cases, Fitch will rate all or a number of issues issued by a particular issuer, or insured or guaranteed by a particular insurer or guarantor, for a single annual fee. Such fees are expected to vary from US\$10,000 to US\$1,500,000 (or the applicable currency equivalent). The assignment, publication, or dissemination of a rating by Fitch shall not constitute a consent by Fitch to use its name as an expert in connection with any registration statement filed under the United States securities laws, the Financial Services and Markets Act of 2000 of the United Kingdom, or the securities laws of any particular jurisdiction. Due to the relative efficiency of electronic publishing and distribution, Fitch research may be available to electronic subscribers up to three days earlier than to print subscribers.

Market update

In the UK consumer price inflation (CPI) fell significantly to an annual rate of 3.4% in February from 4.0% the previous month, according to the latest figures. A sharp reduction in the rate of food price inflation was a key driver of the decline in the headline rate; though core CPI, which strips out the especially volatile elements of the headline figure including food and energy prices, also fell, from 5.1% to 4.6%. Other UK data confirmed that the economy had contracted slightly in each of the final two quarters of 2023, representing a technical recession. However, the latest releases from the Office of National Statistics (ONS) suggested some improvement in activity levels. Real (after inflation) household income was reported to have risen slightly in the final quarter of last year; while economic growth in the month of January 2024 had returned to positive territory, at 0.2%. A key leading indicator, the S&P Global purchasing managers' index (PMI), also pointed to modestly positive momentum overall over the first quarter of the year. The services sector has for some time shown greater resilience than the manufacturing sector.

The UK appeared to have trailed its global peers in terms of growth. The Office for National Statistics (ONS) presented its first estimate of economic activity in the final quarter of 2023, finding that there had been a contraction of 0.3%. Following on from a decrease of 0.1% in the previous quarter, this represented a technical recession. For the full year, the economy was believed to have moved largely sideways with a GDP increase of 0.1%.

Risk warning and disclosures

This document is a financial promotion and is for information only. It does not provide financial, investment or other professional advice. The market update contained in this document represents CCLA's house view and should not be relied upon to form the basis of any investment decisions. To make sure you understand whether our product is suitable for you, please read the key investor information document and the prospectus and consider the risk factors identified in those documents. CCLA strongly recommend you get independent professional advice before investing. Under the UK money market funds regulation, the Public Sector Deposit Fund (PSDF) is a short-term low volatility net asset value money market fund. You should note that purchasing shares in the PSDF is not the same as making a deposit with a bank or other deposit taking body and is not a guaranteed investment. Although it is intended to maintain a stable net asset value per share (where £1 invested in the PSDF remains equal to £1 in value in the PSDF), there can be no assurance that it will be maintained. The value of the PSDF may be affected by interest rate changes. The PSDF does not rely on external support for guaranteeing the liquidity of the fund or stabilising the net asset value per share. The risk of loss of principal is borne by the shareholder. Past performance is not a reliable indicator of future results. The value of investments and the income from them may fall as well as rise. You may not get back the amount you originally invested and may lose money. Any forward-looking statements are based on our current opinions, expectations and projections. We may not update or amend these. Actual results could be significantly different than expected. The PSDF is authorised in the United Kingdom and regulated by the Financial Conduct Authority as a UK UCITS Scheme and is a Qualifying Money Market Fund. Issued by CCLA Investment Management Limited (registered in England and Wales, number 2183088, at One Angel Lane, London EC4R 3AB) who is authorised and regulated by the Financial Conduct Authority. Appendix 9

To consider amending the total expenditure figure contained within the 2024/25 budget.

In January 2023 the Council resolved the following:

RESOLVED A2024/009

To approve the 2024/25 draft budget as presented in appendix 10 and appendix 10a with an expenditure of £278,560

It has become apparent that the calculation of the overall expenditure figure was incorrect due to a spreadsheet error.

The following line item detail was presented but the figures were not included in the overall expenditure calculation.

500	Community Functions	
4600	Christmas Dinners	6500
4605	Soup and Carols	0
4610	Firework Display	11000
4615	Multi Cultural Carnival & 70th Jubilee	6250
4617	King's Coronation 23	0
4620	General Sponsorship	0
	Overhead Expenditure	

Therefore it is proposed that an additional £23,750 be added to the expenditure total giving a total expenditure of £302,310.

Note

The estimated end of year (31st March 2023) general reserve figure at the time of the original resolution was £120,174.

The actual end of year (31st March 2023) general reserve figure at year end was £146,930

Therefore the inclusion of the extra £23,750 to the proposed revised expenditure figure has no practical effect.

Motion:

An additional £23,750 be added to the annual expenditure total for 2024/25 giving a total expenditure of £302,310 for that year. This figure to supersede that stated in minute reference A2024/009
