11/20/03	06/11/2020	Walking commuter route. Railway station to authors place.	Walking options for people in the newer houses to reach not only the train station but also the general amenities in the Village. The route, starting from the 'black path' at the bottom of Jubilee Street, could link onto the path that runs from Authors Place to the Bryncae Community Centre. From there the unofficial path along the railway line could be resurfaced to link into the current footpath from Brynna Woods RAN/20/1. Some initial work has been done by Community Councillor Jeff Williams and there is an appetite from Welsh Government to create more 'active travel routes'.	£250,000

2/21/001	29/01/2021	It would be amazingly beneficial for all the community if the "Swan pond" could be purchased for community use as a nature reserve.		
1/21/004	29/01/2021	I think for the community of Llanharan it would be beneficial to make the pathways in Brynna woods more durable. With covid the pathways have become very muddy. These paths have been wonderful during the pandemic and I feel that this should be looked after.		
1/21/005	29/01/2021	Further dog waste bins at the entrances to Brynna woods and meadow rise		
2/21/001	29/01/2021	Create a pleasant seating area next to River on Chapel Street	we create a area by the river bank opposite the war memorial next to the Chinese chip shop. It has a natural beauty and just needs a bit of loving care and attention to bring it into a place that people young and old could enjoy. Being opposite the memorial and close to the community council offices it is an ideal place to enhance. We could also erect a plaque for the NHS for their services which would be in keeping with the memorial. Wild flower planting could be arranged so the upkeep would be a minimal cost. Seating here would be great so in the future when socialising is allowed families and older generations could meet. Being by water is a natural healer for many mental health issues.	
5/21/001	29.3.21	Improvements/expansion to brynna community centre skateboard bowl.	<p>Please see below email that we discussed. Ideally the bowl should be 3ft deep and if a rail can be put as the edge of top for grinding even better. Not expecting the world but it does need looking at so if money needs spending why not get it right 1st as last. If there is scope for it to be larger fantastic but if not the depth of 3ft should really be considered. Only going deeper or raising the edge with that so no impact on surrounding ground if that is a concern.</p> <p>Below is what has just been done and pencoed. There is no skate bowl type of park From cardiff to Porthcawl and the one in brynna isn't up to much as you will see below again with the links of Porthcawl. Hopefully something comes of this thanks for your time</p> <p>https://www.bridgend.gov.uk/news/new-pencoed-skateboard-and-bmx-park/</p> <p>http://www.middle-age-shred.com/forum/viewtopic.php?f=17&t=23701</p>
