## **Appendix 5**

### **Working Groups**

#### **Underlying terms of reference for all Working Groups**

For the underpinning terms of reference for working groups to include the following: For working groups to be empowered to carry out fact-finding investigations, carry out informal negotiations (without assuming any authority of the Council as a corporate body) and to do other work in order to be able to present recommendations or reports to Council for resolution. If members of a working group cannot come to a settled agreed recommendation or report for Council then any recommendations or report should be qualified accordingly. Working groups should liaise with the Clerk where appropriate and any recommendations should be checked for lawfulness with the Clerk before presentation to Council. The Clerk would ordinarily only attend working group meetings when requested in order to offer advice. Working group meetings are arranged informally by its members, led by the chair.

Working Groups may not have any additional authority delegated to them.

The Chair or another member should make a written record of any actions or recommendations agreed amongst the group that reflects the opinion of its members.

If members of a working group cannot come to a settled agreed recommendation or report for Council then any recommendations or report should be qualified accordingly.

A written record of any recommendations or informal negotiations with any third party must be presented to the Proper Officer to be checked for lawfulness prior to presentation to the Council, Committee or Subcommittee.

The Proper Officer must formally verify the outcomes of any informal negotiations with any third party prior to presentation to the Council, committee or Subcommittee.

### Civic Allowances

In accordance with the requirements of Section 147 of the Local Government (Wales) Measure 2011, the Town Council is duty bound to follow the requirements of the Democracy and Boundary Commission Cymru (DBCC) , which has assumed these functions from the former Independent Remuneration Panel for Wales (IRPW) as laid out in their Annual Remuneration Report, 2026-2027. All other determinations made previously stand. You can find the full report by using the following link:

<https://www.dbcc.gov.wales/remuneration/02-26/annual-remuneration-report-2026-27>

- It is a matter for each town and community council to make and record a policy decision in respect of when and how the payments are made and whether they are paid monthly, yearly or otherwise. The policy should also state whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

#### Officer's note:

This paper presents the options for Civic allowances along with last years resolutions plus any notes from officers to aid members in making decisions.

- Note that this years determinations by the DBCC are the same as last years determinations made by IRPW.
- Note that with regards to Civic expense for Community Councillors payments, the previous IRPW report stated:

“an individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so. Each community and town council must ensure that it does not create a climate which prevents persons accessing any monies to which they are entitled that may support them to participate in local democracy. Payments should be made efficiently and promptly”

It is therefore requested that members DO NOT verbally decline the payments in a Council meeting or in a group email but rather write to the RFO or Clerk formally if they wish to do so.

## **Considerations for 2026/27 (a-**

Officer's note: By paying members allowances in full at the beginning of the municipal year, a resigning or disqualified member is not automatically obliged to pay back any allowances on a pro-rata basis.

A newly co-opted or elected member replacing that member would then also have to be paid the allowance (pro-rata).

Using the previous years civic allowances as a template, in the worst case scenario of a member resigning soon after their appointment and a replacement being co-opted at the following meeting this can amount to an additional cost to the public of up to £1,565 in the case of the Chair, £649 in the case of the

Deputy Chair and £190 in respect of all members.

- a) Members are invited to consider several options for the payment of civic allowances. (Excluding those paid via payroll where there is a tax implication).
- i. To make payments in stages throughout the year.
  - ii. To include a written agreement whereby resigning or disqualified members would sign a declaration to agree to repay a proportion of the payment, calculated on a pro rata basis. (This would be legally enforceable). Payment to be made on receipt of the signed declaration.
  - iii. To keep the same arrangements as previous years with payments made at the start of the municipal year and no repayment declarations in place.
  - iv. Some other option not listed here.
- b) Extra costs payment – Mandatory £156 for all members.

For 2025/26 the Council resolved the following:

*To pay the members 'extra costs' allowance of £156 a year to all members with immediate effect, except to those who formally write to the Clerk indicating that they do not wish to receive the allowance.*

Officer's note: All councils **must** pay their members £156 a year (equivalent to £3 a week) towards the extra household expenses (including heating, lighting, power and broadband) of working from home.

The payment of £156 falls within the HMRC definition of "homeworking arrangements and therefore will be exempt from PAYE. Members should therefore confirm that they regularly work from home in their capacity as a Member of the Council and are not already claiming a tax allowance for home working expenses against another source of income. The IRPW has prepared a template letter to assist with this. If a member is already receiving £6 per week for a home working allowance or are claiming this amount against their taxable earnings from another source, then the £156 may still be paid but will be subject to taxation and will need to be processed through PAYE.

The RFO will issue the relevant declarations forms that must be completed and returned before payment can be made.

- c) Senior role – Mandatory £500 for 1 member, optional up to 5.
- d) Chair – Optional up to a maximum of £1,500
- e) Deputy Chair – Optional up to a maximum of £500

For 2025/26 the Council resolved the following:

*To pay a Chair's allowance of £1500 to the Chair of the Council with immediate effect.*

And

*To pay a Deputy Chair's allowance of £500 to the Deputy Chair of the Council with immediate effect.*

Officer's note: Chair's and Deputy Chair's and senior role allowances are taxed and paid via payroll.

- f) Members are invited to consider several options for the payment of Chair/Deputy Chair/Senior role payments
  - i. To keep the same arrangements as the previous year with payments made directly to the individual concerned via the payroll system (Taxed) and with no reporting to Council of spend.
  - ii. To make payments made directly to the individual concerned via the payroll system (Taxed) but requesting that the individuals submit receipts to the Council to evidence the spend and a report submitted to the Audit Committee quarterly. (Policy would be required – See supplementary information on page 7).
  - iii. Rather making payments to an individual. Creating budget lines in the budget from which the individuals can draw. (This does not attract any Tax payment) for appropriate purposes. (Policy would be required – See supplementary information on page 7).
  - iv. Some other option not listed here.

g) Attendance allowance

For 2025/26 the Council opted not to pay an attendance allowance.

Officer's note:

Optional payment up to a maximum of £30 each time. Either attendance allowance or financial loss allowance to be claimed for the same event, not both. If the council decides in favour of attendance allowances, it must produce a Scheme for formal adoption, make provision for it to be publicly available and inform the

h) Financial loss allowance.

For 2025/26 the council resolved the following:

*For those Councillors who wish to make a claim for the optional Financial Loss Allowance to contact the Clerk for further details so that a claim can be made, proof of financial loss being required.*

Officer's note:

Optional payment Up to £57.20 for up to four hours, or £114-40 for any period exceeding 4 hours. Proof of financial loss is required.

Either attendance allowance or financial loss allowance to be claimed for the same event. Not both.

i) Travel and subsistence allowance

For 2025/26 the council resolved the following:

*For Travel and Subsistence payments to be made to members but only on a case by case basis and where they have been explicitly approved in advance by full council.*

j) Costs of care or personal assistance

For 2025/26 the council resolved the following:

*For those Councillors who wish to make a claim for a mandatory contribution towards costs of care and personal assistance to contact the Clerk for further details.*

Officer's note:

The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. This is **mandatory** for a Community Council of our size.

For those Councillors who wish to explore making a claim, please contact the clerk so that the specific circumstances and requirements can be explored.

k) Office consumables

For 2025/26 the council resolved the following:

*To pay members £52 a year for the cost of office consumables required to carry out their role, payments to be made with immediate effect.*

Officer's note: Councils **must** either pay their members £52 a year for the cost of office consumables required to carry out their role, **or** alternatively councils must enable members to claim full reimbursement for the cost of their office consumables.

It is a matter for each council to make and record a policy decision in respect of when and how the payments are made and whether they are paid monthly, yearly or otherwise. The policy should also state whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

Supplementary information regarding d) and e) follows below.

## **Supplementary information regarding d) and e)**

The Chair's allowance (and by implication Deputy Chair's allowance) is governed primarily by:

1. **Section 34(5) of the Local Government Act 1972**, and
2. Supplementary guidance from the **Independent Remuneration Panel for Wales (IRPW)**.

The guidance under the LGA states:

*“A community council may pay the chairman for the purposes of enabling him to meet the expenses of his office such allowance as the council thinks reasonable.”*

The allowances are not remuneration, but rather an allowance to cover costs incurred in the role, especially civic duties.

Typical uses for the allowances are:

- Civic and ceremonial expenses (e.g., attending functions, hosting events)
- Travel costs not covered elsewhere
- Hospitality (e.g., refreshments at official meetings or community events they attend)
- Donations, prizes or tickets for local charitable or fundraising events
- Clothing suitable for formal civic representation

(This list is not exhaustive).

Below is common guidance on the administration of the Chair and Deputy Chairs allowances:

### ► **1. Method of Payment**

- **Reimbursement basis**: The most common and recommended method.
  - Chairperson submits receipts and claims actual expenses.
- **Lump sum**: Can be paid in advance (In total or in part) but must still be used only for allowable expenses.
  - In this case, the Council should retain oversight and **may require accounting or receipts**.

### ► **2. Transparency and Accountability**

- Good governance practice encourages:
  - A **clear policy** on what can/cannot be claimed.
  - Public reporting or disclosure of the total amount used (though not necessarily a breakdown).
  - Any unused portion at year-end should either be returned or accounted for.

## **Further notes**

In order to demonstrate that expenditure is directly related to the role of Chair/Deputy Chair and represent responsible use of public funds:

A clear policy on what the allowances can be spent on be adopted and the officers administer and report against this policy. (Currently Llanharan Community Council has no such policy with payments made direct to office-holders with no reporting or spend requirements).

Civic and ceremonial expenses (e.g., attending functions, hosting events)

Travel costs not covered elsewhere

Hospitality (e.g., refreshments at official meetings or community events they attend)

Donations, prizes or tickets for local charitable or fundraising events

Clothing suitable for formal civic representation

Any other items the Council deems appropriate to add to this list.

### **Service Level Agreements or other legal or arrangements with external groups.**

The former memorandum of understanding with LRGT and the SLA with LRGT and RCTCBC regarding the use of the shower block and maintenance of the welfare field have both been dissolved.

Informal arrangements (supported by appropriate resolutions) are in place instead pending the drawing up of legal agreements regarding the transfer of the shower block and any associated clauses (potentially including grounds maintenance) to be resolved in due course.

In addition the Community Council has written agreements with Persimmon Homes to carry out all future maintenance/repair (including any work required to facilitate any future adoption process upon request) at the following locations.

- 16ft Christmas Tree socket at Heol Y Parc.
- 16ft Christmas Tree socket at St Ilyd's Meadow.
- Festive cutouts (Christmas lights sockets) fitted to unadopted lighting columns along the A473 to the west of Heol Y Parc.
- Steps and pathway on the embankment at the southern access to RAN17/5 adjacent to Enterprise Way.

The Community Council also has a written agreement to carry out any future maintenance works on any sections of path along the length of RAN17/5 (at the Bryncae Arms) excluding future maintenance of sections of fence that lay on Mr Davies' (The landowner) land.

## Civility and Respect Pledge

Civility means politeness and courtesy in behaviour, speech, and in the written word. Examples of ways in which you can show respect are by listening and paying attention to others, having consideration for other people's feelings, following protocols and rules, showing appreciation and thanks, and being kind. The National Association of Local Councils (NALC), the Society of Local Council Clerks (SLCC), and One Voice Wales (OVW) believe now is the time to prioritise civility and respect and start a culture change in the local council sector. By signing the Civility and Respect Pledge, our council demonstrates its commitment to treating councillors, clerks, employees, members of the public, representatives of partner organisations, and volunteers with civility and respect in their roles. Signing up is a straightforward and uncomplicated process, which only requires councils to register with One Voice Wales and agree to the following statements:

Date of Council Meeting .....
